

AUSTRALIAN TESTING SERVICES

Registered Training Organisation # 21642

DOGGING

By Law personnel who sling loads to be lifted must have Dogging Certification if the load to be lifted requires:

1. An estimation of its weight.
2. Judgment on its centre of gravity.
3. Correct selection of slings to be used.
4. Method of slinging to be used.

At the completion of this course applicants will have the ability to safely carry out dogging duties. The valuable skills learned on this course will enable applicants to complete every aspect of load lifting with confidence. National Worksafe High Risk Work Licence is issued on successful completion.
