OVERHEAD CRANE AWARENESS

Overhead Travelling Cranes that are remote or pendant controlled & have no more than three functions do not require certification for the operator. However OH&S legislation requires employers to provide adequate & safe instruction to operators of this equipment. An employer **must not** allow an employee to operate a crane without proper training.

<u>Overall Aim:</u> At the completion of this course applicants will be able to demonstrate safe & effective operation of pendant or remote controlled overhead cranes.	<u>Delivery method:</u> Training consists of a combination of both theory & practical assessment.
	<u>Total Hours:</u> 4 Hours. 2.5 hours classroom & 1.5 hours practical.
