## SAFE WORK at HEIGHTS

**Occupational Health & Safety (Prevention of falls) Regulations 2007** came into effect on the 1st of July 2007. These regulations place obligations on employers to take preventative action if there is **any** likelihood of an employee being subjected to a fall risk of greater than 2 metres.

**Safe Working at Heights** is a must for most employees in the workforce.

\*This Course covers all training requirements as detailed in the National Code of Practice *Prevention of Falls in*
